

Press Release

19 July 2016

Completed investigation

On 14 July 2016, the FRC adopted the investigation report on the audit of the consolidated financial statements of a listed entity for the year ended 31 March 2013 (**the 2013 Financial Statements**).

The Audit Investigation Board (**the AIB**) found that the auditor failed or neglected to observe, maintain or otherwise apply certain professional standards in the audit concerning the waiver of a shareholder loan that was recognised as income (**the Waiver**) in the immediate preceding year, which formed part of the comparative information of the 2013 Financial Statements.

The investigation report has been referred to the Hong Kong Institute of Certified Public Accountants (**the HKICPA**) to determine if any disciplinary actions are warranted.

On 17 July 2015, the FRC directed the AIB to conduct an investigation on the audit of the 2013 Financial Statements relating to the Waiver.

As a result of the investigation, the AIB found that the Waiver should have been recognised directly in equity and the auditor failed to evaluate the appropriateness of the accounting treatment concerning the Waiver in forming their unmodified opinion on the 2013 Financial Statements in accordance with paragraph 12 of Hong Kong Standard on Auditing (**HKSA**) 710 *Comparative Information — Corresponding Figures and Comparative Financial Statements*.

The AIB found that the engagement quality control reviewer did not fully comply with paragraph 20 of HKSA 220 *Quality Control for an Audit of Financial Statements* in performing the engagement quality control review as he should have identified the above audit deficiency.

Based on the above, the engagement partner and the engagement quality control reviewer failed to act diligently according to the applicable technical and professional standards in accordance with section 130.1 of the Code of Ethics for Professional Accountants.

On 14 July 2016, the FRC adopted the investigation report prepared by the AIB, which summarised the findings of the investigation. The investigation report has been referred to the HKICPA to determine if any disciplinary actions are warranted. Names of the relevant parties are withheld pending the conclusion of such disciplinary proceedings, if any.

The AIB is chaired by the Chief Executive Officer and its members are full-time staff of the FRC.
